10. Coastal Zone Management: Translating Policy into Action. International Symposium on Geotechnical Engineering, Ground Improvement, and Geosynthetics for Sustainable Mitigation and Adaptation to Climate Change including Global Warming organized at Bangkok, Thailand, 3 & 4 December 2009.
11. Post Flood Reconstruction in Bihar. Proceedings of Seminar in Indian Institute of Public Administration in February 2009.
12. Tsunami: corroborating the need for vulnerability and capacity analysis" published in the Journal of Emergency Management-Vol. 6, No. 6, November 2008; ISSN: 1543-5865.
13. Ahead of Tsunami: need for integrated coastal zone management. Journal Disasters: Journal of Disaster Studies, Policy and Management, Online ISSN: 1467-7717, 2007

Book Chapters

1. Heat Wave Disaster Risk Management Action Planning: Experience and Lessons” (chapter 8) published in Volume entitled “Disaster Risk and Management under Climate Change by Springer-Nature Publishing Berlin/Tokyo/ Singapore, book series “Disaster Resilience and Green Growth”: ISBN: 978-981-99-4104-9, Edition 2023.

2. Coastal Hazards and Sustainable Development Goals in India” for Book Titled” Making India Disaster Resilient. Springer Nature Switzerland AG, Gewerbestrasse 11, 6330 Cham, Switzerland, 2019.

3. Sustainable Development Goals (SDGs) & Resilience Building of Coastal Communities in the Book on 'Development in Coastal Zones and Disaster Management', Palgrave McMillan publication, 2019.

4. Coastal and Sea Erosion: Risk Profile and Mitigation Strategies Sushma Guleria, Sreeja S. Nair and Anil K. Gupta, 2018, Disaster Risk and Impact Management, Pages 37–52; Editors: Anil K. Gupta, Sreeja S. Nair and Vinod K. Sharma; Published by: ASTRAL INTERNATIONAL (P) LTD., NEW DELHI.

5. Planning and Designing Healthcare Facilities: Lean, Innovative and Evidence Based. Taylor and Francis; ISBN-978-1-138-03226-2.

Case Studies, Training Modules and Other Articles

1. Training Module on Food and Nutrition Security in Emergency Preparedness and Response in collaboration with UN-WFP; 2025 ISBN No. 978-81-986279-4-0.

2. Training Module on Preparation of State Disaster Management Plan (SDMP), NIDM Publications; ISBN no. 978-81-957965-1-9; June 2022, Edition 2022.

3. Compendium on Ensuring Food and Nutrition Security in Climate Fragilities and Disasters: the 31 Inspiring Practices; Map and Exchange Good Practices (MEGP) Initiative; ISBN No. 978-81-955009-5-6, Edition 2022.

4. Capacity Needs Assessment (CNA) Report on Mainstreaming Food Security and Nutrition Needs in Emergency Preparedness and Response; NIDM Publications; Edition 2022.

5. National Guidelines for Preparation of Action Plan- Prevention and Management of Cold Wave and Frost, National Disaster Management Authority; June 2021.

6. Training Module on Social and Behavioral Change Communication: In context of Disaster Risk Reduction, NIDM Publication, ISBN no. 978-93-82571-41-4, October 2021, Edition 202.

7. Co-edited India Disaster Report 2014-2017 published by the National Institute

	of Disaster Management; ISBN: 978-93-82571-42-1, Edition 2021 8. Training Module on Integration of Disaster Risk Reduction and Climate Change Adaptation into Rural Development Policies and Programmes; Edition: August 2020, ISBN No: 9789382571360; Pages 174. 9. Training Module on Village Disaster Management Plan for United Nation Development Programme (UNDP), India under the UNDP-DRR Project, ISBN No: 9789382571025, 2012. 10. Two Units for Indira Gandhi Open University (IGNOU) on Disaster Management; Course-MSWE-003 Disaster Management –namely: Unit 1-Hazards, Risk, Vulnerability an Capacity Analysis and Unit 3- Types of Disaster-II (Other including Human Made). December 2011 (Reprint) ISBN No-978-81-266-5793-3, 2010. 11. Documentation of “Bihar Floods-2007” 12. Ahead of Tsunami – Plight for Sustainability: Village Pettodai’ was published in the South Asia Disaster News Service Report, 2006.
